ELECTION.

Special to the Gassule.

HICO, Tex., Sept. 1.—The municipal election to-day passed off quietly with the result of W. H. Ballard, mayor, and A. R. Dorman, marshal.

GOY CLEVELAND.

ALBANY, N. Y., Sept. 1.—Goy. Cleveland remained at the executive chamber throughout the day. While routine work was heavy, nuch of his time was occupied in receiving callers.

DENOUNCES FREE TRADE.

Boston, Mass., Sept. 1.—The call of the People's party to the voters of Massachusetts for a state convention at Worcester the 28th inst., denounces the free trade leaning of the Chicago Democratic platform as lumineal to the working men of America and a departure from the true Democratic textual services and a departure from the true Democratic platform as lumineal to the working men of America and a departure from the true Democratic platform as lumineal to the working men of America and a departure from the true Democratic platform as lumineal to the working men of America and a departure from the true Democratic platform as lumineal to the working men of America and a departure from the true Democratic platform as lumineal to the working men of America and a departure from the true Democratic platform as lumineal to the working men of America and a departure from the true Democratic platform as lumineal to the working men of America and a departure from the true Democratic platform as lumineal to the working men of America consisted on half of the remaining II is the description of Research Protection is test the protection. It the both the soft america consisted on preferred classes, and list the least population, and surger forms for the protection in the protection. It the extent of preferred classes, and list the least population, and surger for the protection. It the earnestness of my nature against

Islation can be more hurtful than that which discriminates against agriculture.

Here the speaker read an extract showing the meastrons tax-stion upon common domestic atensits, and in an outburst of eleganeree said even the medicines administered to the farmer in his old age are taxed it per cont, and tax-stion follows him on until the marble stat tells the observer that the earthly sufferer has been rabermarked in a land where protective aboundations are unknown. Through unwise, cruel and uplest fax-stion, the farmer is tobbed in Johnson county of 15 cents per bushel on wheat, while he is unconscious of the bidden hand which commits the robbety. Even India, where we have been taught to expect nothing but ignorance and supersition, is now competing with other mations in the grain markets of the world. The tax payers of America will not always how their needs to their oppressors. Reform influences are at work which are now natisfied with conservalive measures, but therewill come a nighty upheaval of popular sentiment, and the whole scheme of protection will be expanged from our statute books.

Core itutional limitations have been

norming, are arriving on every train and a large crowd is expected.

Core its light limitations have been laughed to soon and the limitations have been laughed to soon and the limitations have been party stands ementing to a perpetuation of the protective poticy. The Democratic party advocates, by its platform, equally of taxation and the exercise of in power alone for public purposes. It promises full and complete relief from the iniquities of protection.

His speech was a magnificent effort our statute books

section.

His speech was a magnificent effort and was listened to by the vast antitudes with a section interest and profound attention. He drosed with or nice prof to the fitting appeal to the class of the section of the section of the second attention of the second attention of the winds above the would atream in the winds above the broken and swiered fragments of the Republican party, upheld by the unan-nood of Averica, which had been tried in the enable of many a lattle and the shouts of freemen on earth to heaven would hear the point, the Di-mocracy of Jefferson spil lives.

Center, Canada, by a committee of twenty members of all parties. He spake at Grand Circus park to-night
